

OUR SOCIAL MISSION 2025

At Pure Offices we aim to make a positive social difference, supporting communities and good causes locally to our centres and beyond.

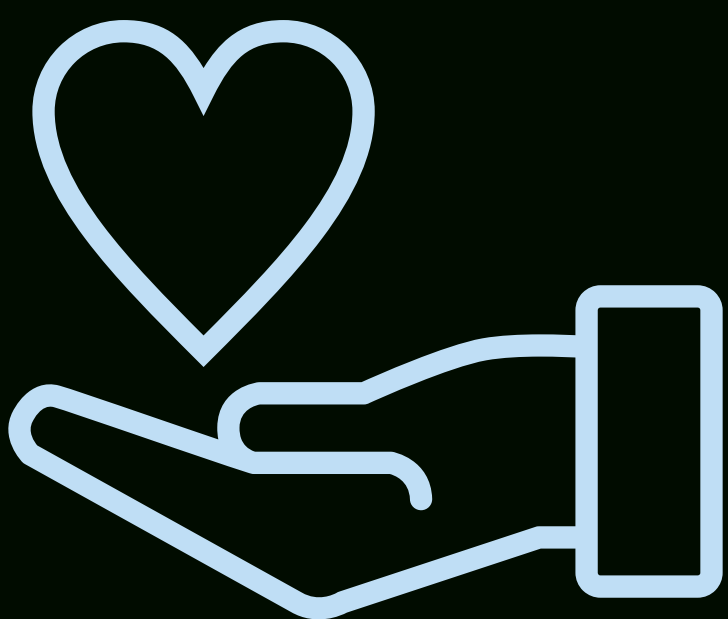

Thanks to the efforts of you, our centre teams & Pure's match funding, we raised an impressive £59,209 in 2024.

In 2025 we want to go bigger and better so we have set ourselves a target of:

£60,000

All monies raised at the centres or by our team will be matched by Pure Offices (up to £1k per centre)!

Why not let your Centre Team know which charity you would like to see us support next?

Let's be social! @PUREOFFICES
